Contractor Network Announcement

Working Roadmap Priority Action

- Develop a network of retrofit contractors in BC that meet specific accreditation and qualification criteria with ongoing quality assurance
- (Eventually) be mandatory for government and utility incentive programs
- Long term vision
 - Address quality concerns to increase supply of quality contractors
 - Incentivize and increase demand for whole-home retrofits

Who?

FENESTRATION

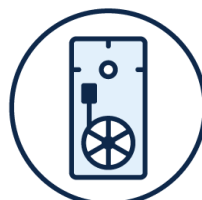

HEATING & HVAC

INSULATION & AIR SEALING

RENOVATORS

ENERGY ADVISORS

When?

Sector dependent

- Fenestration registration opens June 16 and launches later this year
- Remaining sectors registration and launch:
 - HVAC and Insulation later this year
 - Renovators and Energy Advisors early 2022

CleanBC Better Homes Announcement

- Standalone, income-qualified home retrofit program (coming soon)
- High-value incentives for low- to moderate-income households
- Complement to existing energy efficiency rebate programs
- \$11M, two-year program

Goals:

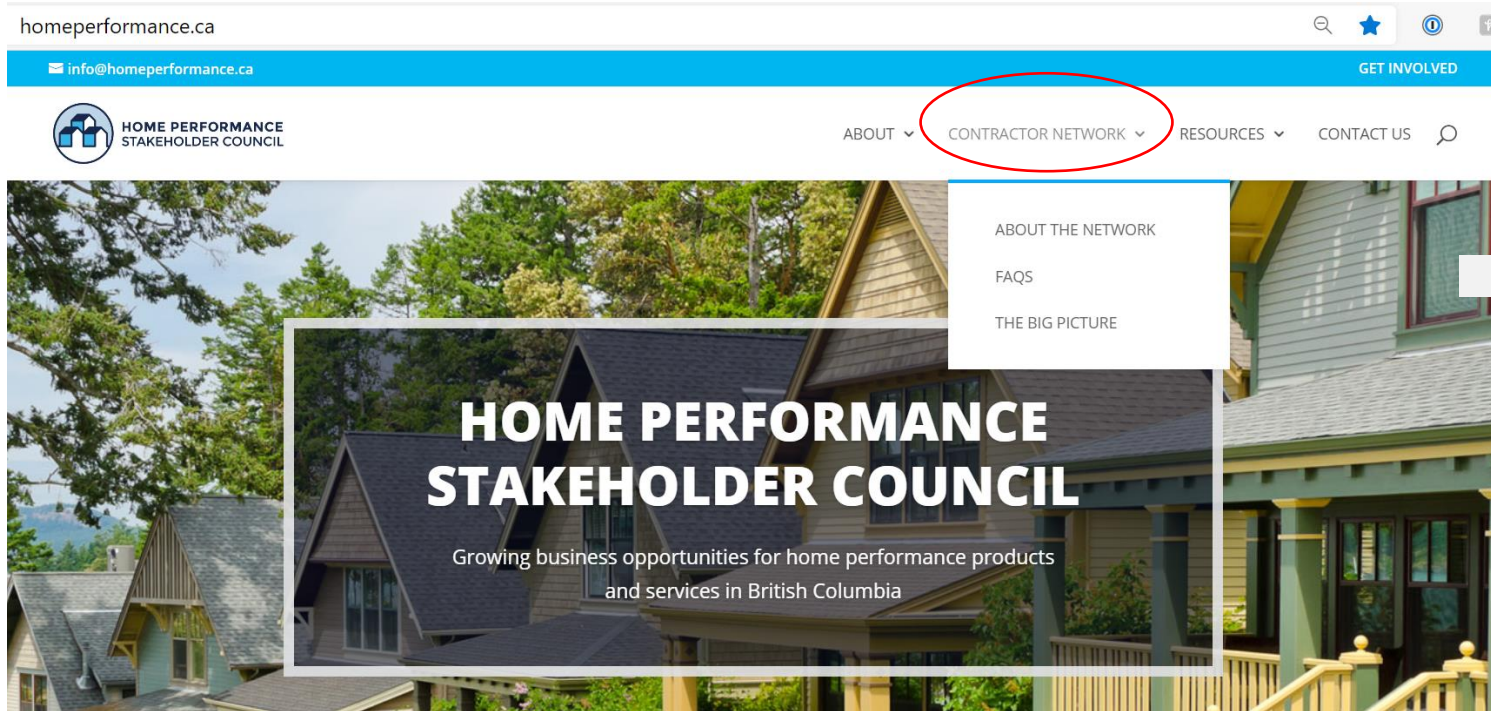

- Improve energy affordability for income-qualified households facing financial hardship
- Increase awareness of energy efficiency and fuel switching opportunities
- Reduce greenhouse gas emissions in support of Province's CleanBC Plan

Training Subsidies

- Training subsidies available
 - 100% training costs
 - Contribution towards wages for time
- Sectors
 - Fenestration
 - Heat Pump
 - Insulation
- Must register with HPCN to be eligible
- Funded by the Province of B.C.

Home Performance Contractor Network

The screenshot shows the website homeperformance.ca. The navigation menu includes 'ABOUT', 'CONTRACTOR NETWORK' (highlighted with a red circle), 'RESOURCES', and 'CONTACT US'. A dropdown menu for 'CONTRACTOR NETWORK' is open, showing 'ABOUT THE NETWORK', 'FAQS', and 'THE BIG PICTURE'. The main content area features a banner for the 'HOME PERFORMANCE STAKEHOLDER COUNCIL' with the text 'Growing business opportunities for home performance products and services in British Columbia'.
